Reese

The Reese suite has a rustic elegance that is perfect for so many brides. The style is casual and fun, but still chic. We love the design in neutrals with a pop of color, but it will look amazing in whatever shade is perfect for your big day.

# Ivy

For the watercolor loving bride, this suite was inspired by European gardens. The monogram crest gives the suite a classic feel, but the brush lettering, fruit and leaves keeps it relaxed and breezy.

# Customization Options

## CHOOSE A PRINTING METHOD:

Our designs are available in two printing types:

**Digital:** Also known as flat printing, this is the most budget friendly option and ideal for watercolor.

**Letterpress:** The image is beautifully pressed into the paper, leaving a tactile image. This has a more formal feel.

*Note: Designs with watercolor requires digital printing, although can typically be combined with letterpress for the text if desired.*

## CHOOSE A PAPER COLOR AND WEIGHT

We use a lovely letterpress quality cotton paper for all of our designs. The standard is 110# (a nice heavy card stock); an upgrade to double thick paper is also available.

The paper is available in two colors: bright white (recommend for a more modern look) and soft white (for a more romantic feel).

*Note: Due to the large washes of color on the Calista suite, a smooth paper may be recommended as an alternative.*

## CHOOSE AN ENVELOPE COLOR

# Wording

Please provide your wording exactly as you'd like it to appear on your invitation. Below are things you want to be sure to include, but feel free to be creative!

## INVITATION

- \* Parents' names if you want them or "together with their families"
- \* Full names as you'd like them to appear
- \* Date, time and location
- \* Reception information or reception to follow

## RSVP:

- \* Respond by date (if you aren't sure, it is recommended that you check with your venue or caterer to determine when they require a final guest count and work back from that. Don't forget to build in some time to track people down who forget to respond!)
- \* Happily accepts / regretfully declines or similar wording
- \* Meal choices if applicable
- \* Any other information you require from your guests

## PARTICULARS:

Some things that you might want to include on a particulars card are:

- \* Accommodations
- \* Shuttle information
- \* Other events (welcome drinks, farewell brunch, etc.)
- \* Attire
- \* Favorite things to do in the area
- \* Your website

WEEKEND EVENTS SYMBOL OPTIONS

Select from the below options to correspond with your weekend events card. Note that styles may differ slightly but will coordinate with the rest of your suite. We recommend 2-4 events on each card.
